FEATURES 69

This year the KNOWLEDGE KNOLL is dedicated to one of the most outstanding teachers in Galax High School. Not only does he serve his school, he also serves his community.

He has given the senior class a broader outlook on life by presenting them with new ideas and by stimulating them in use of their minds.

He has brought culture to his community through the medium of radio announcing. He has brought religion to his community through his ministerial work.

Because of these contributions to school and community, we, the 1963 KNOWLEDGE KNOLL Staff, proudly dedicate this annual publication to you . . .

FINALE

The Clock of Life

The Clock of Life is wound but once
And no man has the power
To tell just when the hands will stop,
At late or early hour

Now is the only time we own
Love, live, toil with a will,
Do not wait until tomorrow,
For the Clock may then be still.

This poem was engraved in a watch presented to Dave Rubinoff, by his friend Will Rogers.
